Media Support Division

Catalog of Training Videos

The Television-Graphics/Animation Branch of the Media Support Division (MSD) is responsible for producing all audio-visual materials in support of the training mission of the Federal Law Enforcement Training Center and Participating Organizations. This catalogue provides law enforcement instructional staff with convenient access to FLETC training videos produced by MSD. Video titles are listed in this catalog in chronological order from the year they were produced.

?? *Special Note:*

*If your organization needs a training video produced please contact:
MSD in Bldg. 18 or call x-5403 or x-2257.*

Duplication/Requisition Process

To request a duplication of a FLETC produced videos complete the electronic Request Form and send to MSD, Bldg. 18. If you have any additional questions please call (912) 267-2257. Copies of FLETC videos can be provided in VHS or a CD format. Copies of DVD productions are provided on DVD video spec.

National Technical Information Service

The National Technical Information Services (NTIS) was established to serve as the central source for all Federally produced audiovisual materials. These materials are available to the public through information and distribution services.

Through the NTIS's distribution programs, the public has access to more than 8,000 titles covering a wide range of subjects. Major subject concentrations in the NTIS's collection include history, medicine, dentistry and the allied health sciences, safety, aviation and space technology, vocational and management training, and the environmental sciences. Law enforcement titles also are included.

For more information concerning NTIS's services, call or write the Customer Service Staff, Monday - Friday, 8:00 a.m. - 4:30 p.m., Eastern Time at the following number and address:

National Technical Information Service
5285 Port Royal Road
Springfield, VA 22161
